PLAN SUMMARY

This plan is for guests without Park-to-Park tickets, and eliminates all rides with a minimum height requirement of greater than 40 inches. The plan offers a mid-day break of at least two hours back at your hotel. It's debatable whether the kids will need the nap more than you, but you'll thank us later, we promise.

PLAN SUMMARY

Add to this plan any meals, breaks or other attractions you'd like to experience. If Early Park Admission is offered and you are eligible, arrive 90-120 minutes before the official opening time and experience Ollivanders and/or Harry Potter and the Escape from Gringotts' standby queue first (using child swap or exiting before the ride), then continue with the rest of this plan.
