PLAN SUMMARY

A relaxed version of the one-day touring plan. The two-day plan contains all of the headliner attractions in EPCOT. Day one has you arriving at park opening, while day two's arrival time is 4 PM.

PLAN SUMMARY

To use Genie+ with this plan: The most useful Genie+ reservations for this plan are for Test Track, Soarin' Around the World, and Spaceship Earth (in that order). Get the first available reservation for one of those, and fit that return time window into the plan. Once you're able to get your next Genie+ reservation, look for the earliest return time for any of the next few attractions in the plan. If using Individual Attraction Selections, try to get a Guardians reservation for as close to park opening as possible.

Your Plan Steps

STEP

1) Guardians of the Galaxy: Cosmic Rewind

Notes: If Guardians of the Galaxy is **not** using a virtual queue, see it as soon as the park opens, or use Individual Lightning Lane.

2) Test Track

Notes: Test Track experiences a lot of downtime. Before you walk over, ask a Cast Member or check our Lines app (or the My Disney Experience app) to verify that Test Track is open. Also, Test Track has a single-rider option that might save time.

3) Mission: SPACE Orange

Notes: If your group includes teens, ride Mission: Space. Otherwise, delete this step.

4) Soarin' Around the World

5) Living with the Land

6) Eat lunch

**** Staying inside the park**

Notes: Each lunch. The best spot nearby is Sunshine Seasons, in The Land pavilion.

7) Journey of Water, Inspired by Moana

8) The Seas Main Tank and Exhibits

9) Spaceship Earth

10) Canada Pavilion

11) Canada Far and Wide in Circle-Vision 360

12) United Kingdom Pavilion

Notes: *Tour the UK pavilion and take in any nearby live entertainment.*

13) France Pavilion

Notes: *Tour the France pavilion, skipping the Remy attraction for now. The Impressions de France film is worth seeing if you have time; the Beauty and the Beast film is not.*

14) Morocco Pavilion

15) Rest

**** Staying inside the park**

Notes: *Eat dinner.*

16) Japan Pavilion

Notes: *Tour the Japan pavilion, department store, and gallery exhibit.*
